

*Have your child ready for the fall semester...*

# **Intensive Summer Treatment Program *NeuroFeedback Therapy***

*The Original* ADD Treatment Centers offers an accelerated summer treatment program for children with ADD, ADHD, LD, Autism and Aspergers. The purpose of this summer program is to complete NeuroFeedback Training before the beginning of the Fall school semester.

Training sessions can be scheduled four to six times a week with available times from 8AM to 6PM. Appointment times are on a first-come, first-serve basis and may be booked in advance.

**Call today to make arrangements to begin the Intensive Summer Treatment Program.**
